## Leading Change in Allergen Immunotherapy (AIT) Evidence into Practice

ALK

Friday 8th Oct from 1pm to 2pm

Stephen Till, professor of allergy at Guy's and St Thomas' will lead a panel of speakers presenting some AIT updates and explore how these may change day-to-day practice.

The following topics will be covered:

· Allergic asthma · Real world evidence · Disease modification

The final panel discussion will invite audience participation to explore how the evidence can translate into day-to-day clinical practice.

(The content of this talk is dependent upon ongoing DHSC pricing negotiations and therefore maybe subject to change)

## Advancing the treatment of peanut allergy with oral immunotherapy

Aimmune

Friday 8th October 17:30 – 18:30

Chaired by: Dr. Sue Leech

Welcome and introduction - Dr. Sue Leech

PALFORZIA: key data - Dr. Vibha Sharma

PALFORZIA: practical implications - Professor George Du Toit

Panel discussion: finding the PALFORZIA patient = All

Q&A - All
